Assisted
Therapy
Services

Furry Friends Pet Assisted Therapy Services' mission is to consistently facilitate the delivery of the love and affection of our volunteers and their pets. We enhance the lives and touch the hearts of people with special needs.

We're Licking Loneliness!

Dear Prospective Furry Friends Volunteer,

On behalf of the volunteers that make up Furry Friends Pet Assisted Therapy Services, we want to thank you for your interest in joining our organization and are looking forward to seeing you share the love of your pet with others. We can assure that you are about to join an organization that will allow you to make a real difference in someone's life. We know it will make a difference in yours, too.

Furry Friends is a non-profit, volunteer organization that is largely funded by dues that its volunteers pay. Another source of revenue is through donations that organizations pay for special visits and new site applications. Currently, we service over 100 facilities in Santa Clara, San Mateo & Santa Cruz Counties. These include convalescent hospitals, nursing homes, hospitals, senior daycare centers, and Santa Clara County Juvenile Hall. Please check our website for a current list of sites that Furry Friends visits.

All the documents needed for you to complete your application package and become a Furry Friends volunteer are enclosed with this letter. If you will be joining with someone else (spouse, friend, child, etc.), please duplicate the documents and complete them separately. Our application materials are designed for one human volunteer & one animal only. * One per human volunteer, ** one per animal

The following are enclosed:

1. Volunteer Application Form *
2. Volunteer Payment*
3. Liability Release Form *
4. Vaccination/Fecal Record **
5. Veterinary Pet Evaluation Form **
6. Pet Behavior Screen Form **
7. Etiquette Class Sign Up*
8. Etiquette Class Payment*
9. New Volunteer Application Checklist

Once we have received your entire **application package and \$50** per person application fee, plus **\$50** per person etiquette class fee, we will process it within 14 calendar days. You will receive a confirmation of your enrollment in the Etiquette Class that you requested or you will be informed about alternative class dates. Unfortunately, you cannot begin your visits with any Furry Friends team until you have completed the Etiquette class and the Team Captain(s) of the team(s) you have chosen have accepted your request to join their team.

Furry Friends is hoping you choose to become one of our volunteers. Once you have completed the process of becoming a volunteer, you and your pet will be able to enhance the lives of people with special needs.

Sincerely,

Furry Friends Board

Furry Friends Pet Assisted Therapy Services

Liability Release Form

Each human volunteer must complete and sign this form

1. Each **adult human volunteer** must complete and sign the section below

I acknowledge that even though Furry Friends Pet Assisted Therapy Services (PATS) may carefully screen its animal therapists prior to accepting them into PATS, animal behavior is inherently unpredictable. Therefore, I do hereby release PATS from any and all liability or responsibility due to any injury or loss that either I or my pet(s) may incur as the result of, or arising in any way from, my participation in any PATS sanctioned visit to a visitation site or other function in promotion of PATS.

Furthermore, I understand that from time to time, photos will be taken of PATS volunteers and animal therapists while PATS visits are taking place. I do hereby give permission to PATS to publish and use for public relations purposes any photo taken of me and /or my pet(s), provided that any such photos are used for PATS promotional purposes only.

Signed: _____ Date: ____/____/____

Name: _____

2. A Parent or Guardian of any human volunteer **under the age of 18** must complete and sign the section below

I am a parent or guardian of _____, who is currently under the age of 18. I acknowledge that even though Furry Friends Pet Assisted Therapy Services (PATS) may carefully screen its animal therapists prior to accepting them into PATS, animal behavior is inherently unpredictable. Therefore, I do hereby release PATS from any and all liability or responsibility due to any injury or loss that either I, my child or my pet(s) may incur as the result of, or arising in any way from, our participation in any PATS sanctioned visit to a visitation site or other function in promotion of PATS.

Furthermore, I understand that from time to time, photos will be taken of PATS volunteers and animal therapists while PATS visits are taking place. I do hereby give permission to PATS to publish and use for public relations purposes any photo taken of me, my child or my pet(s), provided that any such photos are used for PATS promotional purposes only.

Signed: _____ Date: ____/____/____

VACCINATION/FECAL RECORD

DIRECTIONS TO VETERINARIAN:

Please complete all items below that pertain to the animal you are treating.

Owner's Name: _____ Email: _____ Phone (____) _____ - _____

Pet's Name _____ Species: _____ Breed: _____ Age: _____ (approximate)

FECAL CHECK: (see page 2 of this form for exceptions)

Date of last fecal or de-worming: ____/____/____ Results: Negative / Positive **OR**

Fecal test not needed, pet is on the medication listed below that is labeled to prevent roundworms and hookworms:

2. CANINE VACCINATION RECORD: Please give the dates of last exam/vaccinations.

DATE OF LAST ANNUAL EXAMINATION: ____/____/____ (valid for 1 year only)

RABIES: ____/____/____ 1 or 3 year LEPTO (recommended, not required) ____/____/____

DA2PL / PARVO: ____/____/____ 1 or 3 yr OR DA2P / PARVO: ____/____/____ 1 or 3 yr

CANINE FLU/CIV (recommended, not required) ____/____/____

3. FELINE VACCINATION RECORD: Please give dates of last exam/vaccinations.

DATE OF LAST ANNUAL EXAMINATION: ____/____/____ (valid for 1 year only)

RABIES: ____/____/____ 1 or 3 year FVRCP: ____/____/____ 1 or 3 yr

4. OTHER ANIMAL VACCINATION RECORD:

Please give dates of last vaccinations appropriate to the species. Also, please state the duration of the vaccine.

FOR ALL PETS:

This pet is a Pet Therapist who regularly visits patients. Many of the patients that this pet is in direct contact with have compromised immune systems. Based on your annual examination and the pet's past health record, are there any reasonable health risks to the humans who come in contact with this pet? Yes ___ No ___ Initial _____

Veterinarian's signature _____ Veterinary Hospital Name _____

Phone Number (____) _____ - _____ Date _____

email: admin@furryfriends.org

**FURRY FRIENDS
PET ASSISTED THERAPY SERVICES
VACCINATION POLICIES**

Fecal Exams and Prevention Medications

The only worm prevention medications accepted by Furry Friends PATS in lieu of annual fecal tests or de-worming are medications that are **LABELED** to prevent roundworms and hookworms. Some examples are Heartgard Plus, Iverhart Plus, Sentinel, Trifexis, Advantage Multi, and Revolution (cats only).

However, annual fecal tests are still encouraged by Furry Friends (even if your pet is on one of these programs) because there are other health problems that can be detected with these tests. A positive result for non-contagious parasites may not disqualify the animal.

Flea prevention programs such as REVOLUTION, ADVANTAGE, PROGRAM, FRONT LINE, BIOSPOT, etc. do not prevent or kill roundworms, and hookworms. These types of worms can lie dormant in fecal for weeks or even months. Note that regular Heartgard kills only heartworm larvae and will not be accepted.

Distemper/Parvo or FVRCP

Every dog or cat must be either vaccinated for this, or, if deemed appropriate by the animal's veterinarian, protective titers will be accepted. Results of a titer test must be submitted annually, if used in place of vaccinations. In addition to the numeric results themselves, we require a signed letter from the veterinarian him/herself stating that he/she feels these values are adequate to provide immunity for a specified time period not to exceed one year. The signed letter can be mailed to Furry Friends, or it can be scanned and emailed.

Rabies

State law requires dogs and cats to be vaccinated against rabies, regardless of whether they are an indoor or outdoor pet. Titers will not be accepted for rabies.

Hookbills

Hookbills (parrots, parakeets, and cockatiels) can be used for PATS visits. These birds should be checked for Tuberculosis (TB) and have an elisa test for psittacosis. Although a fecal exam is not necessary, they are a valuable aid in maintaining healthy birds. Birds are not suggested for immunocompromised clients unless there has been a bacterial culture on the choana and cloaca – found to be normal.

Leporidae

Annual fecal tests are required for all rabbits as other health problems can be detected from these tests.

Veterinary Pet Evaluation Form

This form must be completed no more than 6 months prior to the Etiquette class.

(To be completed and signed only by a Veterinarian)

Owner's Name: _____ Date: ____/____/____

Pet's Name: _____ Pet's Age: _____ years old Weight of Pet: _____ lbs.

Breed of pet: _____ Species: _____ Sex: _____ Spayed or neutered? _____

Note to the Veterinary Professional: You are being asked to perform a suitability evaluation of the pet above for work as a Pet Therapist. Furry Friends Pet Assisted Therapy Services acknowledges that animal behavior cannot be accurately predicted and thus holds you harmless from any legal liability from your observations and recommendations below. However, your professional opinion of the suitability of this animal for pet therapy work is vitally needed for Furry Friends and its animal behavior consultant(s) to have so we can better evaluate the suitability of this pet for therapy work. You must feel free to state your observations accurately below, as answers that look negative in nature may not (in themselves) disqualify this pet from service as additional behavior tests will be administered to this pet prior to admission to Furry Friends.

I. Approaching the pet:

When you first approached the pet above, did he/she growl, raise his/her fur, bare teeth, or show any other exhibitions of aggression or defensive behavior? *(yes or no with further observations if needed)*

II. Handling the pet:

When handling (picking up in arms or laying fully or partially on lap) the pet, did he/she growl, raise his/her fur, bare teeth, or show any other exhibitions of aggression or defensive behavior? Did he/she try to escape from you in a frantic manner? *(yes or no with further observations if needed)*

email: admin@furryfriends.org

Vet Pet Evaluation For 3/2020

III. Pain Threshold:

Briefly and gently pinch the webbing between toes and pull the hair from his/her side and back. Did the pet growl, snap, bite, hiss, scratch, act fearful, or frantically try to escape from you after administering the above test? *(yes or no with further observations if needed)*

IV. Overall Evaluation:

Please provide us with any general observations about this pet.

V. Final Thoughts:

In general, do you feel that this pet will be suitable for volunteer service as a Pet Therapist in nursing homes, developmentally disabled treatment facilities, schools, juvenile probation sites, and/or hospitals?

Vet Pet Evaluation For 3/2020

Pet Behavior Screen Form

DOG OWNERS please complete the following rating system to rate your dog's reaction to each of the given scenarios. Your answers on this form are confidential and are not meant to eliminate you or your dog from further visits. This form will be forwarded to and retained by Furry Friends' Behaviorist. The purpose of administering this screen is to gauge your dog's overall reactivity and help Furry Friends' Animal Behaviorist to access what might be a future problem area that can be worked on together. ONLY DOG OWNERS NEED TO COMPLETE THIS SCREEN. There are no screens for other animal types. You must answer all information below.

Name of human volunteer ***Name of dog *****Please choose 1 rating for each scenario:****1) Take dog's food dish with food ***

- No Negative Reaction

Etiquette Class Sign Up and Schedule

Below is the sign up for Etiquette classes offered to new and existing volunteers of Furry Friends. If you are signing up as a new member, please be sure to submit all application.

Class Confirmations are not emailed until we receive all application forms (including signed vet forms and fees), and no sooner than two weeks prior to the class. If the class you select is full, we will schedule you for the next available class. Questions? Email admin@furryfriends.org.

There is a \$50 per person fee for this class. Pay the fee electronically via [PayPal](#) or send a check to the Furry Friends address below.

Etiquette Class Sign Up and Schedule

Name *

Home/Contact Phone *

Work Phone

Address *

Email Address *

Pet Name *

Type of Pet *

Age of Pet *

How long have you owned your pet? *

Date you mailed your application

Current status *

- I am a new volunteer and have sent, or will send, the completed required paperwork.
- I am an existing volunteer.
- I have sent, or will send, a completed Pet Behavior Screen Form for each dog I am bringing to the class - (required for dogs only).
- I am not bringing a dog to the class.

Comments

Select Preferred Class Date

You will only be allowed one no-show (not calling to cancel at least 72 hours prior to the class is considered a no-show). After two no-shows, there will be a \$30 fee to re-schedule. Space is limited, so Furry Friends Volunteers only, please!

After completing the form and indicating a class date preference and an alternate date preference, please select the "submit" button and pay the fee via PayPal or print and mail with a check to:

Furry Friends Pet Assisted Therapy Services

P.O. Box 5099
San Jose, CA 95150-5099

Note: Although you request a class date, if you have not received a class confirmation letter, you cannot attend class. Also, it is important that you choose an alternate class date! Date choice is preference only, it does not guarantee you a spot in that class.

Application Checklist

Please be sure that ALL of the following items/forms are sent to the Furry Friends office. All forms must be received two weeks prior to your requested etiquette class date in order not to delay your application process.

- Volunteer Application Form (one for each human applicant)
 - Please note your preference(s) for sites on this form. **Please check the current sites lists on our website for sites accepting new volunteers and choose a main site as well as two alternates.**
- Liability Release Form (one for each human applicant)
- Vaccination/Fecal Record (completed and signed by a licensed Veterinarian, one per animal)
- Veterinary Pet Evaluation Form (completed and signed by a licensed Veterinarian, one per animal)
- Pet Behavior Screen Form (required for dogs only, one form per dog)
- Etiquette Class Sign Up and Schedule (one for each human applicant)
 - The Furry Friends admin will notify you of your class date. Your requested class may be full.
- PayPal payment or check made out to Furry Friends to cover the following:
 - \$50 for each human applicant, to cover first year membership dues
 - \$50 one-time class fee for each human applicant
